Toshiba Satellite A85-S107 15" Keyboard Keys Replacement

This guide will demonstrate how to install individual keys on your keyboard.

Written By: Travis

INTRODUCTION

Use this guide to replace or install keyboard keys on your Toshiba laptop.

TOOLS:

- iFixit Opening Tools (1)

PARTS:

- 85 Keyboard Keys (1)

Step 1 — Keyboard Keys

- Open laptop by sliding the front tab to the right and lifting the screen.

Step 2

- Use plastic opening tool to lift key up. It should just pop off easily.
- Repeat for all remaining keys.

⚠ The space key and right shift key have supportive metal bars along with the key.

To reassemble your device, follow these instructions in reverse order.
